CONSUMER PROTECTION

INVESTOR COMPENSATION ACT 1998

We are a member of the Investor Compensation Scheme established under the above Act. This legislation provides for the establishment of a Compensation Scheme and for payment in certain circumstances of compensation to clients of firms covered by the Act. In the event that a right to compensation is established, the amount payable is the lesser of 90% of the loss which is recognised as being eligible for compensation or €20,000.

Further information regarding this scheme is available from the Investor Compensation Company Ltd., C/O Central Bank of Ireland, P.O. Box 11517, Spencer Dock, North Wall Quay, Dublin 1.

ADDITIONAL PROTECTION

In addition to our regulation by the Financial Regulator, the firm is a member of Irish Brokers Association and contributor to the IBA Compensation Fund which provides further protection to our clients.

Under Section 25 (g) of the Insurance Act 2000 all premiums paid Barrett Private Insurances are deemed paid to the relevant insurer.

Barrett Private Insurances seeks insurance from insurers that meet our minimum financial guidelines for usage, unless we receive instructions from our clients in writing to the contrary. However we cannot and do not guarantee the solvency or continuing solvency of any insurer used and clients should note that the financial position of an insurer could change after cover has been incepted.

HANDLING CLIENT MONEY

Barrett Private Insurances will accept payments in cash and by cheque in respect of the insurance of bloodstock in circumstances permitted under Section 25 (g) of the Investment Intermediaries Act, 1995. The firm is not authorised to accept negotiable instruments in any other circumstances.

RECEIPTS

Barrett Private Insurances shall issue a receipt for each non-negotiable or negotiable instrument or payment received, pursuant to Section 30 of the Investment Intermediaries Act, 1995. These are issued with your protection in mind and should be stored safely.

Under regulatory requirements very strict rules apply in relation to the payment of premiums to insurance companies. Barrett Private Insurances will not be able to pay premiums to insurers which have not been received from clients. It is therefore critical to the guaranteed continuance of your insurance cover that your premium is paid in full within a maximum of 30 days of due date.

Barrett Private Insurances adheres to the responsibilities set out under the Code of Practice on Data Protection for the Insurance Sector (Approved by the Data Protection Commissioner under Section 13 (2) of the Data Protection Acts, 1988 and 2003). CONFLICT OF INTEREST

In the unlikely event that a conflict of interest should arise we will ensure that our clients are fairly treated whilst discharging our obligations to the market.
