Porsche Owners International Village

As the PCGB Board has been unable to support Le Mans 2011, the previous organising team have made the decision to run the event ensuring that members are able to enjoy the excellent facilities which were available last year on the village. We intend to operate on the same basis as last year with a number of improvements mainly in the provision of extra toilets and showers which have already been ordered. These will also be serviced continuously throughout the event. Additional cubicles will also be placed at the far end of the village resulting in a shorter walk in the evening. Please remember that this event is being run by members for members and we want your support to ensure that this event is not lost and Porsche's heritage at Le Mans is maintained. We will be looking for sponsorship for the event and we hope to make relevant announcements in next months issue.

Deposits are now being taken by our Official Ticket agent **1st tickets** on **01767 680119 / 07914 764630**

Test Day Returns

The ACO have decided this year because of the change of regulations that the test day will return in 2011. Please remember that your general entrance tickets will cover you for the test so why not use your tickets and take another weekend in France. Test day will take place on 24th April 2011, which as usual is a Sunday.

Free Shuttle Bus

We will be running a shuttle bus between various parts of the circuit. Initially this will be on a demand basis but on Friday we will have a set timetable enabling us to run an effective service for the "Drivers Parade". We consider this to be an essential part of continued use of this site and is based on members feedback last year.

Pre Erected Tents Available

Why not take the hassle out of camping and use one of our new and up to date pre-erected tents. We will be able to offer both two man and four man tents complete with air beds.

The tent will be erected complete with beds on your allocated pitch in preparation for your stay in the village, leaving you free to enjoy the bar and excellent catering facilities immediately on arrival.

Other specialist items such as sleeping bags, chairs and lights will be available at additional cost. This has got to be the best way to enjoy Le Mans with its unique atmosphere, so why not contact us now for a quote for your hassle free camping experience.

Exciting New Menu's

Once again we will have the services of Relish who are looking forward to next years event. They are intending to try out a range of new and exciting menus alongside the traditional ones used last year. The catering was one of the big success stories last year and we intend to build on this for next year. The pack lunch goodie bags will also be available. When you have this level of quality food available why would you bother to cook as most members would testify.
