

03 Club Management 60 Years of Porsche Clubs

Porsche Club Anniversary Exclusive products for Porsche Club members

In keeping with the anniversary of the Porsche Clubs, the Porsche Museum has published a commemorative volume illustrating the history of the Porsche Clubs and the genesis of the global Club community. The final event depicted in the book is of course the major anniversary celebration in Zuffenhausen. You don't have to have attended the anniversary event in person, however, in order to enjoy reading the book. **The book contains a veritable cornucopia of stories, facts and background information that will inspire any Porsche enthusiast or Club member.**

Also available from the Porsche Museum Shop or **by filling in the order form enclosed** here are special anniversary grille badges, pins, patches and stickers. The grille badge stands out as a result of the very high quality of production and of the materials used. Made from brass alloy, the pin is an impressive addition to any lapel and the embroidered patch and the sticker can be applied to a variety of surfaces. **Club members will receive an exclusive discount of 15 % on any Club items.**

**If you have any other questions, the staff at the Museum Shop will be pleased to help you.
Please call: +49 711 911 23007**
