## CLUB NIGHT BARBECUE

TUESDAY 15 FEBRUARY 2011

SHORTSTOP JET CHARTER, HANGAR 5, ESSENDON AIRPORT

### *Your DC3 is waiting!*

You are invited to make a flying start to 2011, as we take off for a new and exciting destination "Hangar 5" for our opening Club Night and Barbeque at Short Stop Jet Charter, Essendon Airport.

This will be an informal evening, and a fantastic way to begin 2011. The object of this affair is to socialise, refresh friendships after the break, make new ones and whet your appetites, not only for the delicious barbecue fare and refreshments on offer, but also for the exciting Club year ahead.

You will then have the opportunity to embark on joy flights. Experience the thrill of vintage aviation at its best! For over fifteen years, ShortStop Jet Charter has been flying romantic, nostalgic flights around the city and across the bay in a restored ex-RAAF C-47/DC-3, 'Melbourne's Gooney Bird'. Tickets will be available on the night for \$100 per person.

As Porsche owners who already possess a fine appreciation for the power and aerodynamic beauty of exquisite machines, take this opportunity to admire these qualities at another level. On display in the hangar will be a Learjet 35A, and just outside the hangar will be two "Warbirds" a SNJ-5B (Harvard) VH\_OVO, and a TS-11 Iskra jet fighter trainer.

We have exclusive use of the venue, there is ample parking for your toy and tables and seating will be provided for the barbecue (but we suggest you throw a collapsible chair in the car, just in case we get swamped). Car Parking is in the streets around the hangar, and there is also a public car park opposite.
