Porsche Cars Australia is very excited that this year's Porsche Rennsport Motorsport Festival has received such a high enquiry rate from the Porsche motorsport fraternity and looks forward to some impressive racetrack activity.

However, our aim is to create an automotive Festival for all Porsche owners and enthusiasts which will include an array of opportunities for spectators and competitors alike to immerse themselves into everything Porsche – including Figure 8 fun with the Porsche Sport Driving School, our very unique Porsche Kids Driving School which has been winning hearts for the past four years at the Formula 1® Australian Grand Prix, a collection of very significant Australian Porsche sports cars, a lively eating and entertainment area, plus so much more.

If you would like to be more than a spectator we have two very special customer-focused activities just for you.

Porsche Rennsport Show 'n' Shine **Porsche Rennsport Celebration Dinner**

PORSCHE RENNSPORT SHOW 'N' SHINE

For those who love their cars, but drive them daily, the Rennsport Show 'n' Shine gives you the perfect opportunity to show off your pride and joy. Line up alongside other Porsche owners who feel the same about their cars in order to win either the Rennsport Show 'n' Shine Trophy, People's Choice Trophy or the Porsche Clubs Australia Trophy.

I wish to enter the Porsche Rennsport Show 'n' Shine event @ \$25.00 per car.
