COVIDSafe Event Checklist: Oversight and Administration	
Check the Victorian Government's coronavirus website (https://www.coronavirus.vic.gov.au) on legislative requirements and specific restrictions that may apply.	Implemented

Identify key staff or volunteers who are responsible for implementing and reviewing the strategies in this COVIDSafe Event Checklist. This must include identifying staff whose role are to ensure that public health measures, such as physical distancing and general COVIDSafe behaviours are adhered to.	Implemented
Develop processes and materials to ensure that staff and volunteers attending the event are provided education and guidance on physical distancing, good personal hygiene and staying home from work if feeling unwell.	Implemented
When scheduling an event, consider potential for other events in the same local area which may use similar transport options, shared pathways and facilities.	Implemented
Event organisers must commit to supporting any public health investigations, and support any required actions requested by public health officials.	Implemented
Contingency planning must be documented in the scenario that an event needs to be cancelled, including communicating the cancellation to patrons.	Implemented
Tickets should be refundable if a ticket holder is unwell.	Implemented
Develop a process to manage an attendee who develops symptoms	Implemented
The event's record keeping system must:	Implemented
Attendee contact details must be retained for 28 days after the event, after which, information should be destroyed, unless there is another statutory requirement for retention.	Implemented
COVIDSafe Event Checklist: Spectator management	
Prior to the event, event organisers must communicate the following public health messages to attendees:	Implemented
A reminder of public health measures must be included in the ticketing sales process, visible on the ticket or as an email reminder.	Implemented
During the event, regularly to reinforce public health messages – use broadcast messages, signage, and staff/volunteers to communicate this information with attendees.	Implemented
Where possible establish multiple zones within your event area to limit interaction between groups of attendees. You may consider assigning dedicated facilities for example allocated bathrooms to a specific zone.	Not applicable
Ensure seating is clearly labelled to enable seating allocation. Groups who booked tickets together can sit together but they must be spaced at least 1.5m from other groups.	Not applicable

Where seating is not numbered, clearly mark rows and seats that are to be left vacant.	Not applicable
There must be visual cues to facilitate physical distancing, this includes:	Implemented
Use visual cues to facilitate physical distancing:	Implemented
Implement strategies to avoid crowding on public transport and at stops/stations. Where feasible, ensure there are adequate parking options for car-based travel.	Implemented
Where an event could attract attendees, who do not have a ticket, the organiser must use a gated venue with designated points of entry and exit.	Implemented
Establish multiple entry and exit points to avoid queuing and ensure smooth attendee flow into the venue. Where multiple entry and exit points cannot be established, encourage staggered entry/ exit to avoid queuing; this could be done as part of pre-event communication.	Implemented
Implement strategies to limit the potential for gathering near the venue or at entrances/exits. Encourage attendees to disperse from the event at its conclusion.	Implemented

COVIDSafe Event Checklist: Environmental and personal hygiene

Undertake pre-event cleaning of communal facilities and high touch surfaces. Develop and implement a cleaning schedule to ensure frequent cleaning and disinfection of high touch surfaces and bathroom facilities.	Implemented
At minimum, high touch surfaces must be cleaned at least twice per day and between groups in accordance with cleaning and disinfection guidelines. Additional cleaning of visibly soiled surfaces must occur as required.	Implemented
Establish hygiene stations (with hand sanitiser) at entrances and throughout the venue to encourage hand hygiene of staff and attendees.	Implemented
In prominent locations, display posters demonstrating personal hygiene and hand washing practices.	Implemented
Ensure toilets are in working condition with running water for hand basins, soap and disposable hand towels/dryers.	Implemented
Ensure enough toilets are available to avoid queuing. If queuing is likely, organiser must ensure there is physical distancing.	Implemented
Designated smoking areas must enable physical distancing of 1.5 meters.	Not applicable
