Club Night Barbecue
Melbourne Fire Museum, East Melbourne
Tuesday 21st February 2012

You are invited to fire up the New Year with PCV at a very interesting destination, the "Melbourne Fire Museum" for our family friendly opening Club Night and Barbecue.

This will be an informal evening, and a fantastic way to begin 2012. The object of this affair is to socialise, refresh friendships after the break, make new ones and whet your appetites, not only for the delicious barbecue fare and refreshments on offer, but also for the exciting Club year ahead.

You will then have the opportunity to peruse the extensive assembled collection of Australia's largest collection of fire brigade memorabilia including stunningly restored fire engines that'll be guaranteed to bring out the wannabe fireman from your youth.

PCV will have exclusive access to the fire museum and parking is available in the surrounding streets. Please remember to check parking restrictions.

6:30 to 9:30 PM, Melbourne Fire Museum Cnr Gisborne Street & Victoria Parade, East Melbourne.

Entry to the museum, food and drinks are complimentary.

New members and guests are always most welcome. Guests \$10 contribution per head.

No RSVP required; enquiries may be directed to Felix Rieniets on 0421 617 777
