## Porsche Pry'n'Probe Day

Combined Register Event  
Chisholm TAFE, Dandenong.  
Sat 24<sup>th</sup> October

### **What is a PPP?**

It is a chance to put your Porsche up on a hoist and ask questions of a Porsche trained mechanic about your car. There are four hoists available for the day so it will be possible to have four different types/vintages up at the same time to look at the differences.

You will be able to see at first hand what you may never have had the opportunity to see before and get a better understanding of your Porsche.

This event is open to all registers so that a broad selection of vehicles can be observed.

### **How did this come about?**

One of Mid-911 register members, Jon Scholz, is a trained mechanic who participates regularly in register events. He is cornered by members, at every stationary part of a run, asking questions about their car and seeking deep and meaningful answers. Jon has figured that there is an unsatisfied demand for more knowledge and he has gained the approval to use the facilities where he now works.

**Dress Code** - Yes there are some strict requirements. Covered footwear is essential, long pants/jeans, and sleeved shirts (No singlets, shorts, or thongs).

**Safety** - You are responsible for your own safety. If your car is damaged there is no liability cover by the Chisholm TAFE. Jon may ask to position your car before raising the car on the hoist.

**Refreshments** - Tea and coffee will be provided for the day. A sausage sizzle (BBQ) will be operating and if we can't cook your motor, you may be asked to cook the sausages.

**Cost** - A small fee of \$5 dollars per car will be charged on the day to cover the drinks and food.

**Date** - Saturday, 24<sup>th</sup> October. From 10am to 2pm

**Location** - Chisholm TAFE, Stud Road, Dandenong.

The mechanical training garage is located in Building "K" and entry is via 'Gate 1'. A campus map is on the next page. There is ample parking on the west side of Building K close to the garage entry.

**RSVP** - Please advise the PCV Administrator if you will be attending by email: [administrator@pcv.com.au](mailto:administrator@pcv.com.au) . Numbers are strictly limited.
