“Winter Warmer” Club Night at Porsche Centre Brighton

Tuesday 21st June 2011

Special presentation from Lark Distillery, Tasmania

Mark Nicholson of Tasmania's Lark Distillery will be our special guest at our “Winter Warmer” Club Night. The Lark Distillery is one of Australia's leading distilleries, producing high quality, premium distilled products using traditional methods and carefully selected Tasmanian ingredients.

Mark will entertain us with a presentation on these traditional methods and provide tastings of up to three different whiskies. This experience is usually restricted to tours at the Lark Distillery Cellar Door on the Hobart waterfront, so we are very fortunate that Mark has agreed to bring the show to us!

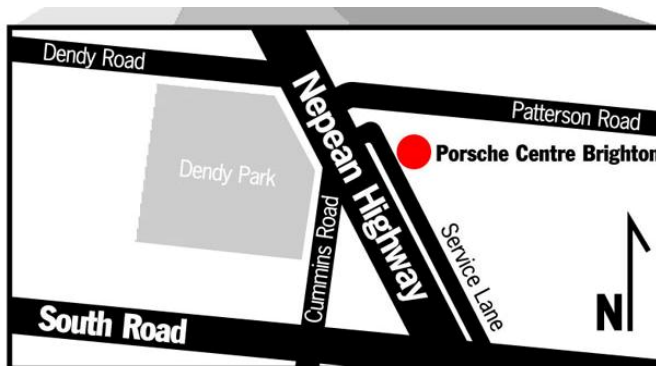

The format of the evening will follow our programme of socialising, finger food and drinks; beer wines and soft drink, topical presentations, meeting new members and hearing about competition results, social news and forthcoming events.
