CLUB NIGHT

Tuesday 16th August 2011

Improving Your Lap Times & Importing a Carrera

Join us at Porsche Centre Melbourne on the 16th August for two informative and entertaining presentations.

David Stannus of VBOX Australia will demonstrate how PCV Members may be able to reduce their personal best lap times by 2 seconds using data. David, with assistance from Pete Campbell, will analyse and compare actual data from Club Members Greg Humphries & Chris Masons' VBOX files and enlighten us of some time saving improvements.

PCV President Keith Ryding will share his recent experience of importing a 1987 911 Carrera 3.2 from England. Keith (and Jolanda) took this procedure to the extreme by personally picking up the vehicle in Surrey and putting it through its paces around the United Kingdom for 10 days. Keith then delivered his new pride and joy to the boat for its journey down under.

The format of the evening will be our usual programme of socialising, dining at tables, topical presentations, meeting new members and hearing about competition results, social news and forthcoming events.

Time: 6:30 for 7:00 PM start.

Venue: Porsche Centre Melbourne, 109-111 Victoria Parade, Collingwood

New members are most welcome.

Members: Complimentary / Guests: \$10 contribution to be collected on the night.

No RSVP is required, but please note that we are catering for a turnout of **140** people so it is suggested you arrive promptly to guarantee a seat.
