Winton Festival of Speed - August 11 and 12, 2012

Celebrating 60 Years of Porsche Clubs - Worldwide

Winton Festival of Speed

Join Porsche Cars Australia at the **Long Track Historic Winton** and become part of this fabulous event, as we celebrate the **60th Anniversary of Porsche Clubs worldwide.**

A totally relaxed Porsche weekend, with a bit of track fun on the side. This is not for serious racers, but for **Porsche Club members** who enjoy driving their cars and the camaraderie only a Porsche event can provide.

An **exclusive Porsche Regularity** Division will be provided to Porsche participants if we can field 30 cars – otherwise Porsche drivers will be included in Regularity Division 1 with other marques.

Winton Festival of Speed

Enjoy a casual **BBQ lunch** in the warmth of the Porsche garages. An area specifically set up for Porsche drivers and family. Newspapers, magazines and good company will keep you busy between regularity runs.

A special parking area will be reserved for all Porsche participants or you can order your own garage or carport, if preferred (see attached **Winton Motor Raceway booking sheet**)

An AASA Licence is required for this event and will be available at Winton on the day. An equivalent L2S Licence or greater will be acceptable. Helmets required along with neck to wrist to ankle clothing.
