"Pry 'n' Probe" Workshop Day Sat 31st July 2010

Ever wanted to ask a mechanic a question about your car, and have him show you the answer?!

Come and join Jon and Adrian, and get your car up on a hoist to see and understand what makes these cars so remarkable.

The aim of this event is to provide PCV members with the opportunity to view their vehicle on a hoist, and ask general or vehicle specific questions to qualified mechanics. The day will be informative as well as social, and the workshop is equipped with a few sectioned models and many general parts for viewing.

The event will be conducted by:

Jon Scholz (former Porsche mechanic and current TAFE automotive instructor)

Adrian Harkin (former Porsche mechanic and currently runs Hartech Automotive Services)

Additional support from various TAFE instructors

If you think you have a particularly tricky question, please submit it to registers@pcv.com.au prior to the event to provide time for research.
