A VERY SPECIAL CLUB NIGHT!

Tuesday 21 August 2007

Porsche Cars Australia has kindly invited us to take a short drive out to Keilor to be their special guests at the

Porsche Parts Distribution & Training Centre

This is an exclusive opportunity to venture behind the scenes of this cutting edge facility, with the added benefit of a tour and presentation conducted by Centre Manager David Wishart. By the end of the night you will have gained a unique insight into the Centre's crucial role in ensuring those precious Porsche parts are shipped from the other side of the world to your mechanic as efficiently as possible.

In addition to the tour and presentation, you can catch up over some great finger food and a glass of wine, meet new members and hear about competition results, social news and forthcoming events.

We appreciate this is not our usual Club Night venue and that many of you will have to travel some extra kilometres to the Centre, but it will be worth it. There is excellent off-street parking at the Centre and we are starting half an hour later than usual to give you more time to get there after work. On the next page please find a detailed map and directions to the Centre, plus some photos to stimulate your interest further.

7:00 for 7:30 PM start, at Porsche Cars Australia's Parts Distribution & Training Centre, 75 Harrick Road, Keilor Park (Melway Ref: 15 A7). New members are most welcome.

Members: complimentary / Guests: \$10 contribution to be collected on the night.

What you need to do! To assist with arrangements at the Centre, you are required to *RSVP no later than 5:00 PM, Monday 13 August*. Please RSVP by contacting Carly Pasco at administrator@pcv.com.au or Ph 9391 5955
