PORSCHE CLUB OF VICTORIA INC

NOTES TO AND FORMING PART OF THE ACCOUNTS FOR THE YEAR ENDED 30 JUNE 2010

1. STATEMENT OF ACCOUNTING POLICIES

Special Purpose Report

The Associations Incorporations Act 1981, under which the Porsche Club of Victoria Inc. is incorporated, provides that the Club must maintain adequate and accurate accounting records (S30A). The Act also requires a club with our level of gross receipts and/or assets to have its accounts audited.

These financial statements are a special purpose report prepared for the use of the Committee and Members of the Club. The Committee has determined that the Club is not a reporting entity. The Financial Statements have also been prepared on the basis of historical costs and do not take into account changing money value or, except where stated, current valuations of non-current assets. The accounting policies have been consistently applied, unless otherwise stated.

The statements have been prepared in accordance with the following Accounting Standards and other mandatory professional reporting requirements –

AASB 1018	Statement of Financial Performance
AAS 4	Depreciation
AAS5	Materiality
AAS6	Accounting Policies
AAS8	Events occurring after Reporting Date
AAS15	Revenue
AAS17	Leases
AAS28	Statement of Cash Flows
AAS36	Statement of Financial Position
AASB 1041	Revaluation of Non-Current Assets

The following is a summary of the significant accounting policies adopted in the preparation of the accounts.

a) Property Plant and Equipment

Property, plant and equipment are brought to account to cost, less, where applicable, any accumulated depreciation or amortisation.

The depreciable amount of all fixed assets is determined as the difference between the carrying amount of the asset at the time of disposal and the proceeds of disposal, and is included in operating surplus of the company in the year of disposal.

b) Inventories

Inventories are measured at the lower of cost and net realisable value.

c). **Income Tax**

As a non-profit incorporated association, the Club's liability to income tax is governed by the common-law principle of mutuality, where the contributions and receipts from members for the services provided by the Club are excluded from the assessable income of the Club. As all Club functions and services are provided to members, the income and expenditure derived from such activities will not be, respectively, assessable nor deductible to the Club.

Accordingly, the Club is only assessable on the income received from non-member income such as bank interest, and the income tax return has been prepared on this basis. The deductions available to the Club are limited to those relating to its assessable income and will therefore include a portion of bank fees and charges, if any.

The Club's Rules satisfy the requirements of the principle of mutuality as they prohibit the distribution of surplus to members.
