## CLUB NIGHT PLUS ANNUAL GENERAL MEETING

Tuesday 16<sup>th</sup> October 2012

### Carbon Revolution – Amazing Carbon Fibre Wheels Launch of the new PCV apparel line

Each year the October Club Night includes the Club's Annual General Meeting. We'll begin a little earlier than usual with the Meeting at 6.30pm, to allow plenty of time for our other activities. The AGM is an important event for of our club, one that gives you (the members) an insight into the running of your club.

From 7.00pm we'll commence our Club Night programme, featuring a substantial mixed roast buffet dinner seated at tables, accompanied by bubbly, beer, wine & soft drinks. Tea and coffee will be available towards the end of the evening.

Our main presentation will be from Jake Dingle of Carbon Revolution, being the first company in the world to commercialise a one-piece carbon fibre composite wheel for the automotive industry. The first commercial production line will be commissioned in 2012.

Testing and validation has been conducted to exceed German OEM standards which are the highest in the global automotive industry. In addition, extensive on-vehicle testing has been conducted on proving grounds in Europe. Weight savings of 40% - 50% versus OEM equivalent wheels deliver significant improvements in performance, including:

- Increased acceleration
- Improved braking
- Enhanced handling and cornering
- Improved fuel efficiency

Outgoing President Will Darvall will officially launch the Club's brand new line of apparel. After many years without Club apparel we expect to have a full range of samples available for close inspection with first orders being taken for pre-Christmas delivery. Don't miss seeing Clothing Competition Winner Ross Del Gallo's designs come to life among other designs!

In addition to this, there will still be the usual opportunities to enjoy the hospitality of Porsche Centre Melbourne, catch up with friends, meet new members and hear about competition results, social news and forthcoming events.

So men & women of the PCV come along and enjoy the final Club Night for 2012.
